Easter Willow Newsletter

Hello Willower's, you are receiving this newsletter either because you have attended a workshop with me or signed up for updates, if you have done none of those things then please disregard this newsletter or take a peek anyway !

Happy Easter! I just wanted to pop in with a quick update on what's been happening at willow HQ and a few things that may be of interest to you.

Firstly I've finally managed to transfer three of my most popular workshops, hares, chickens and poppy seed heads into kit form so if you haven't managed to get to a workshop, prefer to work at home, at your own pace or looking for a creative gift then theses are perfect for you. You can see more detail and purchase them on the website. I've really enjoyed putting them together and I hope you enjoy making them.
